CORPORATE CATALOGUE

Corporate gifting is not only a thoughtful touchpoint between employees, clients, and prospects to establish or enhance valuable relationships, but is also a highly effective means of brand recognition for your company.

At Fruitful Hampers we aim to revolutionise corporate gifting with our range of carefully-curated, custom-branded corporate hampers, consisting of only the highest quality products.

The following pages will guide you through the many custom branding options we offer. It will also give you a deeper look into what we at Fruitful Hampers are all about, and offers a quick peek at some of our specially sourced and curated hampers. Flick through and follow the QR code at the end of the catalogue to enquire with us.

We look forward to providing you with a range of sophisticated gifting solutions, that are tailored to your brand!

WHY GIFT?

Leave An Impression:

With our complete corporate branding service, you can be creative with how you incorporate your brand into our hampers. Select from our range of custom branding options, including beautiful branded satin ribbons, personalised cards and custom designed stickers, as well as custom sleeve designs that send a strong message, whoever your recipient may be.

Beautiful, Thoughtful, High-Quality:

Everybody likes to feel acknowledged. What better way to show your clients and employees how truly valued they are, than with our gourmet hamper from Fruitful Hampers?

Our well-constructed and aesthetically pleasing hampers are a thoughtful gesture that will undoubtedly impress a diverse range of employees, clients and prospective clients. Not only are they beautifully-presented and effortlessly stylish, but are filled with a range of premium gourmet goodies that are sure to thrill your recipients.

At Fruitful Hampers we strive to help you dazzle even the most critical of customers, with carefully-crafted, high-quality hampers to suit everyone. For those with a sweet tooth, we offer an assortment of hampers filled with sweet treats, while recipients with a liking for all things savoury will most definitely enjoy our range of delectable savoury snacks and nibbles.

Made to be shared:

Food is the ingredient that binds us together. Our luxurious gourmet hampers are carefully-crafted to bring delight not only to those who receive them, but also the lucky colleagues and friends that they may be shared with.

Recipients of corporate food hampers often choose to share the gift you've ever so thoughtfully sent, with their team or colleagues. This makes them the perfect brand advocate, with potential to generate conversation amongst the entire office, about both the wonderful contents within your gift as well as your brand.

Endless Combinations:

Want something different to impress your employees, colleagues or clients? Fruitful Hampers offers you gifting solutions that enable you to stand out, and avoid repetitive and mundane gifts. With a collection of diverse hampers to select from, as well as a range of personalisation options, it's easy to keep your gift fresh, fun and exciting.

If you have a corporate account with us, simply let us know if you would like to swap or add an item, and we'll seamlessly and stylishly incorporate it into your customised corporate hamper.

With our vast gifting options, we make it easy for you to get your corporate gifting right.

CUSTOM BRANDED RIBBONS

Want to gift with style? Add a luxurious finishing touch to your corporate hamper with our custom printed satin ribbons. Tied with elegance, these beautiful ribbons are the perfect way to tastefully promote your business or brand.

Our custom ribbon printing process is managed at home base, ensuring we have control at every step of the way. We offer a series of colours to choose from, with the option to beautifully feature your logo on.

We also offer custom ribbon colours for large orders. Additional lead time and costs will apply.

Enquire with us today, and let us handle the rest.

CUSTOM CARD DESIGNS

Add a more personal touch to your corporate gifting.

Use our high-quality custom made cards to leave a personalised message for your clients and employees.

These also serve as a space for you to once again incorporate your brand or logo into our product.

Our custom branded options, paired with a personalised card are set to impress!

CUSTOM PAPER DESIGNS

Take your gift to the next level.

Stylishly envelop your hamper with our tailor-made paper wrapping.

We ensure every element of our corporate gifts are designed, printed and packaged to perfection, leaving your clients and employees in awe of how beautiful your logo looks across our products.

CUSTOM STICKER DESIGNS

What's better than a sticker? A sticker with your logo on it, of course!

Our custom-printed stickers are a fun and creative way to further feature your logo throughout your luxurious custom-branded corporate hamper.

CUSTOM SLEEVE DESIGNS

Want to build your brand awareness and ensure strong and enduring customer relationships?

Seal your corporate gifting hampers with our custom sleeve designs.

Tastefully feature your branding across our packaging so that the lucky recipient knows well before diving into our hamper, that they've been looked after by you.
